Employee Hours

Goal:

Click the largest overtime-segment.

How:

You will be presented with a bar-graph, one bar per employee, representing their available time.

Each bar will can have three colors:

- White for free time.
- Random for booked time.
- Random for overtime.

Summary:

No workload → all white.

Some workload → booked-color + white.

Overtime → booked-color + overtime-color.

Hover over the '?' in the top left corner if you want to read this again after starting the task.
